Policy document for utilizing physical facilities

Introduction

The facilities of a college impact overall learning process. It also sets good impression on visitors and public. It increases the efficiency of the teachers and students by increasing their morale. Therefore, the college has established system for maintenance and utilization of all physical facilities. The procedure and policy for the maintenance of various infrastructure facilities are presented herein.

<u>Purpose</u>

The coordination between facility allocation and utilization ensures the optimum use of resources. For this the purchase and maintenance committee of the college plays vital role. The committee reviews the requirements and same are forwarded to Principal for further action.

Sports Facilities: Utilisation

 The sports equipment and ground are supervised and maintained by college Gymkhana Committee In charge and Physical Director appointed by the college.

Maintenance

- Requisition is made to the purchase committee for the purchase of new equipment outdoor sports activities.
- Maintenance of the ground is done through levelling at the time of outdoor activities.

Classroom: Utilisation

- Allotment of classes for different courses is done in consultation with the head of the institution and time table committee.
- Guest lectures and competitions are arranged in consultation with departmental head.
- Regular semester end examination is conducted as per the schedule from the University.

Maintenance

 The maintenance and the cleaning of the classrooms are done with the efforts of the non-teaching staff and in major cases, the college hires local experts for the maintenance.

Library

Utilisation

- The college has well equipped library with necessary books, journal.
- The library is open all days between 10.00am to 6.00pm except Sundays and holidays.
 Library books are issued for a period of seven days.
- Book bank facility is started from current year for students.
- Access for E-library (Nlist) is provided to the students.
- Books are available for preparation of Competitive exams.
- E-Granthalaya library' automation software is used for housekeeping operations in the library.

Maintenance

- Library committee is formed and regular meetings are held to look into the requirements of the library.
- For the easy access, books are arranged in the order to save the time of users.
- Regular cleaning is done by the Library Attendant.
- Teachers are asked to provide the requirements of books every year.

Computers and ICT facility

Utilisation

- Students are allowed to use the college computer lab for preparing their own work.
- Access has been provided to all staff members for the Wi-Fi facility.
- LCD Projectors are available for teachers for effective teaching and learning process.
- The college has Language Lab for use of ICT.

Maintenance

- Periodic maintenance of projectors and equipment is done.
- For the maintenance of ICT Facility. The college hires the local experts.
- Regular cleaning of computer lab is done by the class IV employees.
