PROFILE AND EVALUATION REPORT

Department of Economics

Introduction:

The Department of Economics was established at the beginning with the opening of this college in September 1995. In the beginning there were few students and only one temporary faculty member. Dr. S.R Yadav joined the college on 01/01/ 1999. After that Mr. K.K. Chudavekar joined the college on C.H.B in academic year 2015-16 to update.

Our college is located in socially, economically and educationally weaker area. Students are rural oriented and are not well prepared. They are poor in reading, writing and thinking. They do not have expression ability; it ultimately affects the academic performance and their interest in the subject like Economics. Hence, it is necessary to change the attitude of the rural students.

The Department of Economics is performing in Research activities. Department is continuously guiding and promoting to the students for various competitive examination like NET, SET, MPSC, Staff selection, Banking etc.

Objectives:

- To create interest among the students in Economics.
- To make them aware of the economic problems and policies of the government to solve these problems.
- To make them aware of the available resources and infrastructure of the region and their optimum use for economic development.
- To create awareness among the students regarding self employment and generation of other sources of the income.

Result analysis of Certificate Course Cashless Transaction :

Best Practices of the department:

Title: **“Work for Economic literacy among students, employees & Society with reference to self-help group”**

The department of Economics works for the objective to solve the problem of students and society with the help of subject knowledge. Through this emerged our best practice of working for economic literacy among student, employees and society with reference to self-help group.

As a result of this work now one self-help groups are established by our employee colleagues through the leading role of department of Economics. Two self-help groups of female are established in nearby villages.

In future this practice will be continued for a big project.

SWOC Analysis:

a) Strength:

- i. Well qualified staff
- ii. Research facility and competitive examination guidance

b) Weakness:

- i. Student from poor economic background
- ii. Entry level student with inadequate subject knowledge.

c) Opportunities:

- i. To develop economic literacy among the students.
- ii. Scope of starting various certificate courses in Finance and tinny industries.

d) Challenges:

- i. Inadequate employment opportunities in the public and private Sector
- ii. To make students employable

E) Future Plans:

- Promoting Student to Research Activities.
- To aware the students among the regional economy.
- To prepare the students for competitive exam and SET, NET.
- To organize conference or seminars
