PROFILE AND EVALUATION REPORT

Department of philosophy

Introduction:

The Department of philosophy was established at the beginning with the opening of this college in September 1995. In the beginning there were few students and only one temporary faculty member. Dr. S. B. Satpute joined the college on 01/12/ 1999.

Our college is located in socially, philosophically and educationally weaker area. Students are rural oriented and are not well prepared. It is necessary to change the attitude of the rural students. The Department of philosophy is performing in Research activities. Hence the Department is continuously guiding and promoting to the students for various competitive examination like NET, SET, MPSC, Staff selection, Banking etc.

Course Objectives:

- ❖ To help the students, to develop broad views about life.
- ❖ To make them aware of the philosophical problems and policies of the government to solve these problems.
- ❖ To make them aware of the available resources and infrastructure of the region and their optimum use for philosophical development.
- ❖ To create awareness among the student regarding self-employment and generation of other sources of the income.

Best Practices of the department:

Title: "Work for Economic literacy among students, employees & Society with reference to self help group"

The department of philosophy works for the objective to trig continuously to solve the problem of students and society with the help of subject knowledge. Through this emerged our best practice of working for literacy among student, employees and society with reference to self help group.

As a result of this work now three self help groups are established by our employee colleagues through the leading role of department of philosophy. These self help groups reached up to the yearly turnover of 33,00000/- (Thirty three laces). Three self help groups of female are established in nearby villages.

In future this practice will be continued for a big project.
